Women of Distinction: Friday, April 14, 2023

For more than a century, Girl Scouts has championed changemakers, building girls of courage, confidence, and character who make the world a better place. For businesses, that means a strong pipeline of workers who face challenges head on with creative problem solving, conflict resolution and an understanding of the importance of collaboration.

Our **2023 Women of Distinction** luncheon will be on April 14 at Venue 812, 1401 N. Boeke Road, Evansville, IN 47711. This special event honors outstanding female leaders and businesses for their accomplishments, community stewardship, and commitment to making a positive difference.

Thank you to The Women's Hospital, Deaconess Health System, Berry Global, Harding, Shymanski, & Company, Acclaim Graphics, Inc., and Schultheis Insurance for your partnership for this event!

For sponsorship information, please contact Mary Fee at mfee@girlscouts-gssi.org or 812.421.4970. From all of us at Girl Scouts of Southwest Indiana, thank you for your commitment to building the next generation of leaders in our community. We believe in every girl's power to change the world, and that together, we can champion the changemakers of today and tomorrow.

TOYOTA

Girl Scouts of Southwest Indiana is partnering with Toyota for our STEM equipment initiative, *Code Green, Powered by Toyota*. This program works to provide girls with empowering, hands-on STEM learning opportunities in their communities, especially in rural areas where Girl Scouts are underserved due to economic and geographic obstacles.

Thank you, Toyota!

Ways to Give

Giving Societies: Personal gifts can benefit the Girl Scouts of Southwest Indiana now and in the future. A gift of \$250, \$500, \$1,000, or \$10,000 offers ways you may support Girl Scouting and make a difference in the lives of girls.

Juliette Gordon Low Society: Members of the Juliette Gordon Low Society believe that the lasting benefits of Girl Scouting should be preserved. By including Girl Scouts of Southwest Indiana in your estate and financial plans, you support girls throughout the council for years to come.

Family Giving Partnership: The Family Giving Partnership is an opportunity for families and friends of Girl Scouts to make a financial contribution to directly benefit girls. As a member of our Girl Scout family, you know how important Girl Scouting is to girls, their families, and the community. A \$25 or greater gift will get your Family Giving patch!

I Love Camp Koch Club: Camping is a staple Girl Scout tradition. Girls who have regular outdoor experiences are more likely to seek out challenges and have better problem-solving skills. Contribute to ensure the continuation of high-quality outdoor experiences for girls. A \$50 or greater gift will get your I Love Camp Koch Club patch!
